

**HSA Class Action
Update – May 27, 2016
Bulletin #4**

The appeal by the defendant HSA and the defendant trustees from the order of Justice Punnnett of the B.C. Supreme Court certifying the claim as a Class Action was heard by a panel of three members of the Court of Appeal on May 25 and 26, 2016.

The Court of Appeal advised that they would “reserve” (take time to consider and write) their decision. This is entirely normal in cases that are before the Court of Appeal. The Court of Appeal set no particular date for the release of its decision. We would expect to see a decision released by the Court within approximately three to six months.

We will post the decision from the Court of Appeal on our website when it is released.
