

HSA Class Action
Update – November 27, 2020
Bulletin #18
(Mailing of Cheques for the Second Payment to Class Members)

On November 13, 2020 the Court Order confirming a second settlement payment from the Hewitt Settlement was entered with the Court. Our office has now received settlement funds from the lawyers for the Trusts, which were named as Plaintiffs in the Hewitt Action.

Cheques for the second settlement payments were mailed to class members on November 26, 2020. Class Members who received an initial payment of \$500, may not receive a second payment. This is because the initial \$500 payment was deemed sufficient to cover the loss suffered by such class members.

While we hope that most class members will receive their settlement cheques relatively quickly, please allow at least **six weeks** in order to receive your cheque before contacting our office. Delivery may be slowed by disruptions related to the COVID-19 virus and the typical postal backlog in December due to the holiday season.

If you have not received your settlement cheque by **Wednesday, January 5, 2021**, please notify us by post or email at the addresses below. Include in your correspondence your name, current postal address, phone number and email address.
